Clarification about upcoming changes to the Emergency Medical Insurance included with your Rogers Red World Elite® Mastercard or Rogers Red World Elite® Business Mastercard

There is no change to the maximum number of days permitted per trip for cardholders ages **65–75**.

Effective November 18, 2026, the period immediately before the departure date during which a pre-existing medical condition or related condition must be stable will decrease from one year to 150 days for cardholders ages **65–75**.

For complete details about your insurance coverage, including eligibility, limitations and exclusions, please review your Certificate of Insurance on our Legal page.
